March & April

Mike breaks the ice in March & April with trophy class walleye and sauger fishing on Lake Wisconsin and Wisconsin River.

April

April is time to crappie and panfish the Madison lakes as well as Lake Wisconsin.

WISCONSIN'S BEST!

May

May fishing in Madison can yield a mix of walleye, northern pike, catfish and musky.

Summer

At summer's peak, some of the best fishing Madison has to offer can be found for all species including fantastic largemouth and smallmouth bass.

July

July is an excellent month to plan a musky trip to Vilas and Iron counties with BBFA.

Late Summer

Late summer and fall continue to produce some large walleye and bass throughout the chain.

November

November northern pike can produce some real trophies and snow day musky fishing can yield big results on Madison lakes in late fall.
